"Rod and I were all set for a scorching evening of wild animal fucking. As we kissed and he fondled my bare tits, all I could think about was diving for that big, thick, god-like cock of his."

"I took turns lewdly sucking one 8" cock and then another, greedily eating away at both for taste and hardness."

"Just as I was starting to suck Rod to a well hung hardon, his buddy Bill dropped by. Suddenly I had the chance to compare two excellent hung studs and have them both fucking and sucking the hell out of my pussy and ass."

"They ganged up on me to make a meal of my tits and rock hard nipples."

"Bill was one great clit-licker, juicing me to constant climax."

"It wasn't long before I was deep-throating Bill's succulent cock while Rod was pummelling my ass with his 8 inches."

**"Soon Rod
was dining
on my cunt
while Bill was
straddling
my face for a
sensational
blow job."**

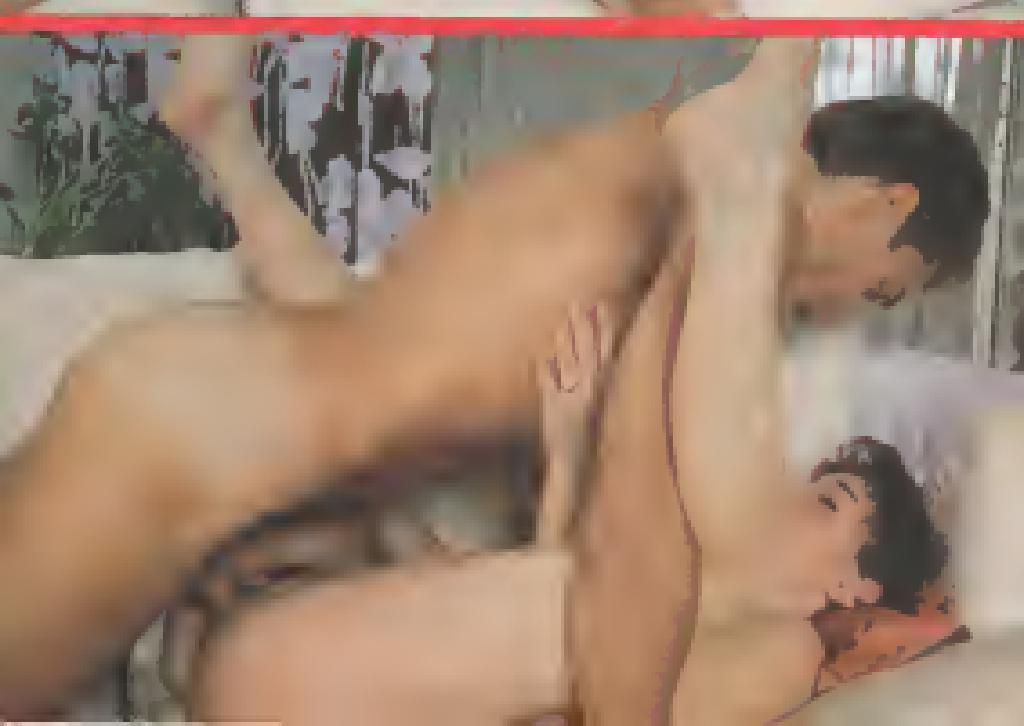

"I was driving Bill out of his skull by switching between sucking his stiff cocksicle and tugging at his cum-filled nuts with my aggressive lips."

"These hung hunks are masters at fucking and sucking a woman every which way. Their strategy was for Bill to kiss and ram me hard while Rod gave me a dynamite tongue bath. My pussy was going insane with lust."

**"Yet another
double
penetration:
8 inches up
my brimming
beaver and 8
inches down
my starving
throat.
Wow!"**

"As the night wore on, there was no end to the ways we achieved one explosive three-way link after another with me sucking Rod to a volcanic volley of cum and Bill lunging underneath me, his inches satisfying my craving for well-hung cock."

"Time for a really great well-hung ass fuck with Bill."

"Bill closed in for a cum with a powerful well-hung ass fuck, emptying his mighty load all over my shameless butt."

"Evening's end: Double cum job on my face."
